Exam Prep
(15:30-16:30hrs)

For Year 5 only. On Mondays.
£54.00 top-up fee per term per child in addition to the core club fee. For 12 weeks.
No sessions on Monday 26th October due to half term or w/c 7th Dec.

A formal club for Year 5 children, with the aim to prepare them for selective grammar (11+) and independent school entrance examinations. This club has been designed specifically for Year 5 children who are aiming to sit selective grammar school (11+) or independent school entrance examinations during the autumn and winter of Year 6. Starting preparation in Year 5 gives children the time they need to build genuine confidence and fluency with the exam content, rather than feeling rushed in the final months before sitting papers.

Sessions will cover the core areas tested across the major exam boards, including verbal reasoning and non-verbal reasoning question types, numerical reasoning and maths topics commonly assessed at this level, and comprehension and creative writing skills, including how to plan and structure a piece of writing within a tight time limit. Children will also be introduced to exam technique: how to manage their time across a paper, how to approach unfamiliar question types methodically and how to check their work effectively without losing pace. Because independent school papers and grammar school papers can differ in format and emphasis, the club will expose children to a range of question styles so they feel prepared whatever format they ultimately face.

How to Book - Bookings open at 18:00hrs on Monday 6th July 2026

Please use ***'My Child at School'*** (MCAS) to book the relevant club you require.

- For booking externally provided clubs, parents will need to book the Core Club session with Waverley via My Child at School (MCAS). Parents will also need to book and pay the top-up fee directly to the external provider. Instructions on how to do this are within the description of each externally run activity on the previous three pages.

Please note: Your child's place is only secure once the core club fee and any top-up fee have been paid.
